Senior Photo & Video Editor

Work from Home · Career Opportunity · iqraONE Foundation

iqraONE Foundation is seeking a skilled and creative Senior Photo & Video Editor to support its media and communication activities. This is a Work from Home position. The selected candidate will create and edit high-quality visual content for the Foundation’s activities, campaigns, awareness initiatives, and digital platforms.

Key Responsibilities

• Edit photos, videos, reels/shorts, and social media content.

• Perform colour correction, colour grading, audio cleanup, typography, transitions, and visual effects.

• Maintain the Foundation’s visual identity and branding standards across all creative work.

• Create thumbnails, posters, social media creatives, and other digital visual assets when required.

• Deliver high-quality work within agreed deadlines and handle revisions professionally.

Qualifications & Skills

• Relevant professional experience in photo and video editing with a strong portfolio.

• Proficiency in Adobe Photoshop, Premiere Pro, After Effects, DaVinci Resolve, or equivalent tools.

• Strong understanding of visual composition, typography, colour, and visual storytelling.

• Ability to work independently and responsibly in a remote/Work from Home environment.

• Strong time-management, communication, and attention-to-detail skills.
